The title newlyweds from the HBO documentary "Monica & David."

## WHAT YOU NEED TO KNOW

### A show to watch 'MONICA & DAVID'

Poignant documentary looks at two adults with Down syndrome who marry, and how family members deal with the newlyweds. Not overly sentimental, the film examines the couple's everyday life and attempts at independence. Filmmaker Alexandra Codina probably has special insight into the story, because Monica is her cousin.

**Details:** 8 p.m. Thursday on HBO. [hbo.com](http://hbo.com).
